Registration will be done directly through Zoom. You must register for each section individually. No emails will be accepted; this is the only way to register. Each person will need to input their full name, email, and answer the questions for each session they wish to attend. If you wish to attend every session you will have to register for each time slot; each session will have a separate meeting ID. The cutoff date to register will be May 7, 2021 or once we hit our max of 250; whichever occurs first. No last-minute additions will be made, no exceptions!

The conference committee will verify the registrations a week before the conference. Upon approval, Zoom on behalf of the association will send emails with personalized links to each registrant. At the specific time on each specific date you will click on the appropriate link to join. Please make sure to look at the email to verify the time, those attending every session will have 4 links so it's important to make sure you have the correct link.

The Zoom registration will create an attendees list which will be used as a sign in sheet. Therefore, your registration must be accurate. Everyone must be punctual and log onto the session no later than 5 minutes before the actual time. We will have a log of each person's time on the session for CEC purposes.

If you plan on sharing a device with a coworker or if you have any questions about the registration process, please contact Carol Jenkins via email [carol.jenkins@njcourts.gov](mailto:carol.jenkins@njcourts.gov).
